

TRAILER_ Chicken no noodle soup

Kristie Sullivan: Chicken noodle soup is a must-have for the winter months. I have to get all of it out of there. You'll smell like garlic for the rest of the day.

You may be wondering what I'm going to use for noodles. It's starting to smell really good, it's starting to smell like comfort food. This was a little ambitious, four cups.

Hey all, soup is ready!
