

**PREVIEW_ Evelyne (Swedish meatballs) -
Cooking with Kristie (Breckenridge 2018)**

Kristie Sullivan: I called these Swedish meatballs. But my colleagues at the DietDoctor site told me these are not Swedish meatballs. So I don't know what are we going to call them... the un-Swedish meatballs? Dr. Evelyne... Burdu--? I can't say it.

Dr. Evelyne Bourdua-Roy: Do you like to make weird keto treats like--?

Kristie Sullivan: What do you mean weird?

Dr. Evelyne Bourdua-Roy: Well, keto. Oh, my kids will adore these meatballs.
