

## PREVIEW - David Diamond (Bacon Fat Dressing copy)

**Kristie Sullivan:** Dr. Diamond, I know you as a cholesterol expert and someone who knows a lot about cardiovascular disease. But that's not your professional training.

**Dr. David Diamond:** Yeah, my PhD is actually in neuroscience and I've been a neuroscientist for 40 years.

**Kristie:** What do you like to use, butter or bacon fat?

**David:** I love the combination of the two. Oh, that's a lot of oil.

**Kristie:** I was looking at... that's a lot of fat.

**David:** That's fantastic!
